Make every minute count

Time spent thinking about insurance is time away from enjoying the water. So ask an independent agent about boat insurance from Progressive. Your agent can craft a policy that meets your needs, while you focus on what you truly enjoy.

Progressive's more than 25 years of insuring boats means **simple confidence**.

- Confidence that your investment is fully protected.
- Confidence that if the fun hits an unexpected snag, you'll be back on the water fast.
- Confidence that you'll get the most out of every minute on the water.

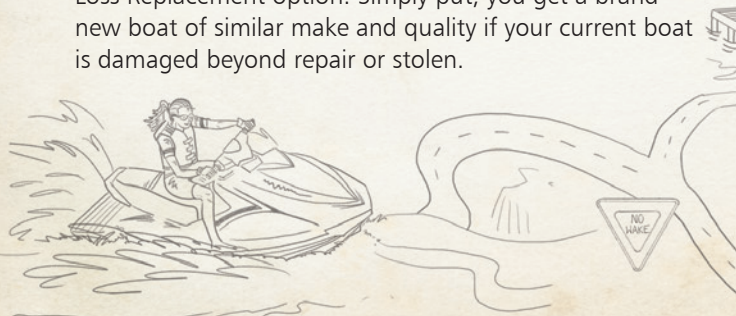

Custom coverage options

Get the basics that every boater needs—Liability coverage to protect your assets, and Physical Damage coverage to protect your watercraft.

Then, get added protection—**specialized coverage** that you just won't find on a homeowners policy. This includes:

- **Fuel Spill Liability.** We'll pay for damage if you're responsible for an unintentional fuel spill.
- **Wreckage Removal.** We'll pay recovery costs if you're responsible for the removal of a covered watercraft.
- **On-Water Towing and 24-hour Roadside Assistance.** Help is just a call away if you have a breakdown, whether on the water or on land.
- **Fishing Equipment Replacement Cost.** We'll cover up to \$10,000 for tackle, rods and reels damaged on or stolen from your boat.
- **Personal Effects Replacement Cost.** We'll cover the cost of personal items that are damaged, lost or stolen while on your boat.

Finally, enjoy the ultimate in peace of mind with the Total Loss Replacement option. Simply put, you get a brand new boat of similar make and quality if your current boat is damaged beyond repair or stolen.

See how affordable a Progressive policy is.
