

# Save yourself a major headache

## What's identity theft?

You've probably heard about identity theft—it's one of the fastest-growing crimes in the country. If your personal information is ever jeopardized, (including name, social security number, driver's license number, bank account, or credit card numbers) we want you to be protected. That's why we think Allied Insurance's identity theft coverage may be a good choice for you.

## Coverage highlights

**To restore your good name, Allied will pay up to \$25,000, with no deductible to cover your expenses.**

Coverages include:

- Costs of executing affidavits
- Costs of certified mail
- Lost income (maximum \$250 per day, total of \$5,000)
- Loan re-application fees
- Attorney fees
- Costs of long distance phone calls

## Get your identity back

**Plus, you can take advantage of additional services.** Through Allied's partnership with Europ Assistance USA, you'll have access to programs designed to help you get your identity back. Just call **866-451-7605**,

and you'll be put in touch with an experienced professional who can:

- Help you identify fraudulent accounts
- Help place a "fraud alert" on your credit reports
- Report your identity theft to the Federal Trade Commission
- Notify credit-reporting agencies
- Contact creditors on your behalf
- Help you file a police report
- Help you replace your driver's license, passport, Social Security card, etc.
- Provide an emergency cash advance if theft occurs away from home

## Free credit monitoring

**You can also choose to sign up for a free credit monitoring service.**

The service keeps a constant eye on your credit report, and alerts you immediately to any critical changes. You'll receive a free credit report when you enroll. Just log on to [alliedinsurance.com](http://alliedinsurance.com), to sign up for this free service.

Anyone can have their identity stolen. If it happens to you, Allied can be there to help get your life—and your finances—back on track.

Our business is protecting your most valuable assets. In this case, it's you.
