

On-the-road protection is available – wherever you are, whenever you need it.

**RoadAssist
24/7**

from United Fire Group®

Roadside emergencies always seem to happen at the worst possible times—in the middle of the night, in an unfamiliar city, in stormy weather. Instead of relying on family and friends for help, call *RoadAssist 24/7* and help will be on its way.

Our representatives are available to assist you anytime, day or night. Please be prepared to provide your producer code, plan letter and policy number, which is located on your *RoadAssist 24/7* membership card. Once you've placed the call, a service vehicle will be sent to your location to provide immediate assistance.

As our customer, you are covered for the following emergency road services throughout the U.S. and Canada:

- **24-hour emergency towing service**
Your vehicle will be towed to the destination of your choice.
- **24-hour emergency road service**
You are covered for emergency road service throughout the U.S. and Canada.
- **24-hour emergency delivery**
A service truck will deliver emergency supplies of gasoline, water, oil or other necessary items.
- **24-hour emergency battery service**
We will boost batteries and perform minor adjustments to alternators, starters, etc. while on the road.

If there are any discrepancies between this brochure and the actual policy, the provisions of the policy shall prevail.

Some states may not allow all coverages listed. Consult your agent about specific coverages available in your state.
